

## WREATHS ACROSS AMERICA

Wreaths Across America is a program where family members or friends can remember and honor their veteran loved ones. Each family, friend or individual may purchase a wreath for their loved one to be placed at their grave site. Cost is \$15.00 per wreath. Prior to laying the wreaths, The American Legion will perform a ceremony honoring these veterans at the Redbank Valley Veterans Memorial Park at 407 Arch Street, New Bethlehem, PA on December 17<sup>th</sup> at 1:00 P.M. At the grave site each veteran's name will be spoken aloud so they will never be forgotten. Wreaths may be ordered by filling out the application and mailing to the address on the next page. Donations will be accepted for laying wreaths at veteran's grave sites that no longer have family members in the area. Please, only one veteran per application.
